INSTALL COUNCIL FOR COMING YEAR

Unparalleled Number of Votes Cast
In Recent Student Election;
Awards G Ws.

A number of votes unequalled in the history of George Washington were cast at the recent Student Council elections when Robert Colflesh, Lillian Smith, and Waldo Clark, of Columbian College; Walter Scott and Ralph Nagle, of the Engineering College; Gladys Twele, of Teachers College; Bernard Burdick, Glenn Corbitt, and Harve Schmidt, of the Law School; Preston Haynes and Eugene Cole, of the Medical School; and Charles Dyer, of the College of Pharmacy were elected to the Student Council for the 1921-22 term. The constitution, which the Council presented to the students for ratification, was accepted by a great majority, 1,105 voting for and 110 against it. The total of votes cast in all colleges was 1,215.

Robert Colflesh, Lillian Smith and Bernard Burdick broke all records as vote-getters, when they polled 408, 387 and 323 votes, respectively. While these councilmen received great numbers of votes, the competition was keen enough to make some of the candidates lose by narrow margins. The elections were held May 9, 10 and 11 and results were posted Thursday, May 12.

Elect New Officers

Following the installation of the members of the 1921-22 Student Council at a meeting held May 17, R. N. Anderson, Elizabeth Earnest and Lillian Smith were elected by that body to the offices of president, vice president and secretary-treasurer, respectively, for the next year. Before retire-

ments for editors and business managers of student publications and elected C. Melville Walker editor and John G. Ladd business manager of the 1921-22 University Hatchet, and Karl Peterson editor and John D. Glass business manager of next year's Cherry Tree.

After discussing the fact that \$2,500 has not been paid by pledged tax signers and in view of the fact that part of the cost of publishing this year's Cherry Tree and expenses incurred by other activities have not been paid, the council passed a resolution urging the Board of Trustees to rigidly enforce the resolution recently adopted by them which provides for the dropping of the delinquent tax signers from the rolls of the University. This resolution, coming from the representatives of the student body, is expected to be very effective in the enforcement of the trustees' ruling.

Awards G Ws.

The council voted to award the school letters to men who have ably served on the track squad as recommended by George Neilson, manager. Letters will be awarded to the following: Felix W. Altrup, Clarence E. Eskew, Harold T. Kay, John Loehler, Earle W. Manson, James D. Moyle, Olaf W. Osnes, Hillary Tolson and George Neilson, manager. Those who received numerals are Preston Haynes, E. P. Henderson, Paul Loehler, I. A. Peake, Phillips, Stanley J. Tracy and Bohn Turner.

Honorary G Ws were awarded to Cameron Burton for his successful work in the office of president of the council this year and to Frank Yates for creditable execution of his duties as chairman of the finance committee of the Student Council.

The resignation of E. T. Hanson from the position of senior marshal because of his inability to graduate this year, due to illness, was received by the council and Harold T. Kay, who had received the next highest number of votes from the School of Law, was appointed in his stead.

The council unanimously voted a declaration of thanks to the Board of Trustees for creating the office of Director of Student Activities and expressed their approval of the work of Mr. Bryan Morse in this capacity and for his cooperation and earnest efforts to further the interests of the University.

A vote was made to award certificates and miniature gold hatchets to the editors and business managers of the 1921 Hatchet and Cherry Tree.

SENIOR PINS

All seniors desiring 1921 class pins are urged to place their order immediately. The price is \$3.50 each. Get in touch with Herbert R. Grossman, 121 W. North Street, who is in charge of the pins.

R. O. T. C. MEDICAL UNIT IS DUE HERE NEXT FALL

Students To Take Course Under Army Supervision With Attractive Inducements.

The attention of prospective students for the George Washington University Medical School is called to the fact that beginning with the next session, 1921-22, a Medical Corps Unit (R. O. T. C.) is established in the school, by authority of the Secretary of War, and an officer of the Army is detailed to the University for supervision and instruction of the students in the unit.

Membership in the unit is voluntary, is open to any physically fit male student and such membership offers material advantages.

Any student who remains in the unit for the four years of his medical course receives in the last two years pay to the amount of \$409, or an average of \$17 per month. There are no military drills, the members of the unit are not under military restraint, no uniform is worn in the school, and there is no obligation as to military service after graduation.

The instruction in the unit is divided into two courses of two years each, and consists of one hour each week of instruction in medico-military matters, additional to the regular hours of medical teaching.

The work required of each student in the unit is in the nature of an elective subject in that one hour of medico-military instruction will be given each week for the cost of which does not interfere with the regular hours of medical teaching.

Students who satisfactorily complete the first two years may, if they elect, enter the advanced course of two years during which they receive pay, are obligated to complete the course and attend one summer camp of instruction for six weeks, to which the student will receive travel pay and during which he will have all camp requirements provided, including uniform (only worn in camp), other necessary articles, medical attention if necessary, and pay at the rate of \$30 per month—really giving a most enjoyable outing with pay.

While students are not in any way obligated to enter the unit, it is suggested that for the small obligation and time given, the instruction and pay received is well worthy of consideration.

Students of the freshman class (1921-22) may be admitted to the second year of the unit without examination and without being required to make up any work of the first year.

G. W. ARCHITECTS MAKE EXCEPTIONAL RECORDS

Unusual honor has been conferred upon the class in architectural drawing at G. W. U., taught by Prof. Bedford Brown IV, by the Beaux Arts Institute of Design of New York City, which recently gave mentions to every member of the class, after the work of the G. W. artists had been compared with the best of the country. Joseph H. Jones received one of the rarest honors ever given, that of "first mention placed."

Joe Lapsch and Charlie Nutt won first mentions on their work and mentions were given to the remaining members of the class, Leota Soars, Dorothy Sigman, Leon Chatelain, John Wolf, Florian Elliott, Melvin Hobson, L. A. Moore, Horace Bradley, T. E. Edwards and Bill Harris.

ENGINEERING SOCIETY ELECTS NEW OFFICERS

Arthur L. Lanigan was elected president of the Engineering Society for the year 1921-22 at the meeting held Tuesday night, May 17. The vice presidents elected were: Civil Engineering, M. J. Bussard; Mechanical Engineering, R. Best; Electrical Engineering, J. R. Boyd. The other officers elected were secretary, Miss Frances C. Ross; secretary, Charles Proudley; executive committeeman, D. O. Woolf.

Before the meeting supper was served to the society by the committee of Columbian women, consisting of Mary Brown, Helen Mankey, Margaret Metzger and Helen Pabel.

SIGMA KAPPA WINS PANHELLENIC CUP

Contest Brings to Light Facts Showing Superiority of Sororities Over Fraternities in Scholarship.

The Scholarship Cup, which is awarded annually by the Panhellenic Association to the sorority attaining the highest average in scholarship, has this year been presented to Sigma Kappa, whose average for the year ended February, 1921, is 88.7 per cent. Pi Beta Phi leads a very close second, with 88.1 per cent, followed by Chi Omega and Phi Mu, whose marks are 86.1 per cent and 85.3 per cent, respectively.

Keen interest has been displayed by the sororities throughout the contest, which is one of the most important functions of the Panhellenic Association to note that the highest mark made this year.

In this connection it will be interesting to the fraternities (79.2 per cent by Delta Tau Delta) does not compare very favorably with the lowest mark made by the sororities.

After the cup has been properly engraved it will remain in the possession of Sigma Kappa until another sorority exceeds its average in scholarship.

SENIORS WILL LEAVE MEMORIAL TO G. W. U.

Plan Dance and Picnic to Come After Exams; Class of '22 To Give Scholarship Medal.

At the last meeting of the Columbian College Seniors, held in the chapel of Lisner Hall Friday, May 13, a portrait of Admiral Charles Herbert Stockton, former president of G. W. U., was selected as the memorial gift of the class to the University.

Plans for Senior Week were discussed and the class decided to give a dance early in June and a picnic up the river on Tuesday, June 7th. President Earl Shea urged all members of the class to pay their dues promptly in order that the Senior affairs may be properly financed.

Announcement was made of the annual award of a medal to the Senior who has the highest scholarship and has been most active in student activities. The award will not be made until 1922.

In addition to a large number of the Columbian Seniors, Teachers College was also represented at the meeting.

SCHINNICK AND EARNEST ON BOARD OF MANAGERS

The Student Council announces that the student body will be represented on the Board of Managers next year by Herbert Schinnick and John Paul Earnest. Both men have served on the council previously, Earnest representative from Medical and Schinnick representative from the Law School.

AMONG THE CLASSES.

The following classes have already visited the collections in the New National Museum: On the morning of May 8 Prof. Paul Bartsch, assisted by Miss Macmillan, took his first-year zoology class into the division of paleontology, showing them the lowest forms of life and leading them on up through the different divisions of zoology. About 100 students were present.

AUDIT SHOWS LEAK AT JUNIOR PROM

Over Two Hundred and Fifty Dollars Lost Is Estimated by Committee.

The Hatchet received the following communication, together with report of audit committee on Junior Week:

"I am transmitting herewith the report of the committee appointed to audit the accounts of Junior Week committee, together with a letter from Mr. L. Brooks Hays, in which I fully concur. I hope that the entire report will be published, as the class promised the University a fair and impartial audit.

"In view of the facts as set forth I am sorry that the Junior Class will be unable to provide programs for those who did not receive them the night of the prom. Very truly yours,
"R. W. PULLIAM."

Letter of Brooks Hays.

"The report of the committee appointed to audit the accounts of the Junior Week committee discloses a startling fact, namely, that 50 couples, about a fifth of those present, attended without paying for tickets. The report shows that this was done by entering the ballroom through a rear entrance and by otherwise deceiving the committeemen placed at the door to collect receipts. Undoubtedly the management of the prom will be criticized for not being more diligent in watching the entrances and as a member of the council of presidents I must share the responsibility for such a situation. Regardless of that, I wish to call attention to the seriousness of this item of the report.

"The deficit from the Prom amounts to about \$50. The failure of 50 couples to pay represents the sum of \$250, which would have left a reasonable surplus for the class.

"That the Junior Class was defrauded of \$250 by students of G. W. U. is deplorable indeed, yet far more deplorable is the fact that there are 50 students in the University who would stoop to do such a dishonorable thing. We must guard the honor and good name of our University more jealously than our standing on the field or forum, and we should be concerned over the fact that in a representative gathering almost one-fifth

GLEE CLUB ELECTS COLFLESH PRESIDENT

Club Adopts Emblem; Plan to Organize Stringed Instrument Club Next Year.

The George Washington University Glee Club held the last meeting of the year at the Phi Sigma Kappa fraternity house recently for the purpose of electing officers for 1922 and to discuss plans for the coming year.

Robert W. Colflesh, whose splendid efforts as manager were largely responsible for the success of the past year, was elected to the combined office of president and manager. Irving Cleveland was elected as secretary-treasurer.

"At present," said Mr. Colflesh, "little can be said as to the plans for the coming year because it is impossible to tell just how many will turn out for the club next year; but with the present club as a nucleus around which to work, a very creditable showing should be made. Plans are also being made to organize a stringed-instrument club of about 25 students from the talent about the school to work in conjunction with the glee singers. If these plans materialize, satisfactory plans will be made for a concert tour."

An emblem has been designed for the members of the club in the form of a small gold music scroll, with the letters "G. W. U." at one side and "G. C." at the other. This little pendant will be presented to the 19 members of the club and the director as a token of the faithful work which they have done in making their first year such a splendid success.

G. W. CLUB TO MEET.

The last meeting for this year of the G. W. Club will be held at the Kappa Sigma fraternity house, 1100 Vermont Avenue, on June 2, at 8:30 p. m. The meeting will be in the nature of a smoker and "get together" party discussion of policies and plans for next year. There will be events of indoor type, such as Canasta, bridge, etc. All men entitled to wear the G. W. are cordially invited.

The Prom Affair

The recent report of the auditing committee for the Junior Class activities brought to light facts showing that the class has been defrauded out of two hundred and fifty dollars on the Junior Prom. The large discrepancy in the number of persons present at the prom and the number of tickets accounted for is believed to have been a result of persons coming in through a door at which no one was placed to receive tickets. If this explanation is a true statement of the case, it is a sad commentary on the diligence of the committee in charge of the prom. Perhaps the most disgusting side of the whole episode is, however, that it shows beyond the shadow of a reasonable doubt that the University harbors within its walls students who are not only indifferent and have no spirit but are actually dishonest. Something of a fundamental nature must be lacking in the character of a student who would willfully cheat his own class. When so many are involved, the inference inevitably reflects upon the character of the student body as a whole. Since the whole affair is over, perhaps it might appear that it would have been more advantageous to hush the matter up. We believe, on the contrary, that where so many are involved the only means of correction is by creating a strong sentiment in the student body against a repetition of such a nauseating situation. We hope to inaugurate such a sentiment at George Washington University by calling a spade a spade and showing the student body how disgusting such an affair is. The greatest weapon against dishonesty of any degree is public sentiment of disapproval. The students can gain this by discussing the matter among themselves and declaring their convictions. If we never make George Washington another Harvard, let us at least make all of its affairs above suspicion and reproach. Let us create a character among the activities at the University.

G. W. U. SCORES 3 POINTS
IN S. A. I. A. A. MEET

Manson and Eskew Place; LeGendre,
G. U., Breaks Three Records.

Through the efforts of Manson and
Eskew, G. W. U. scored three points
in the annual South Atlantic Intercol-
legiate Athletic Association track
meet, which was held at Georgetown
and won by same school, last Satur-
day, May 14.

Seven wearers of the Buff and Blue
qualified for the finals, but only Man-
son and Eskew were able to place.
Eskew won fifth place in the javelin
while he tied for fourth in the high
jump. Earle Manson won fifth place
in the 440-yard run.

Considering the brand of competi-
tion and the fact that three records
were broken by Le Gendre, of Geor-
getown, pentathlon winner at the last
Penn relays, the showing of the Hatch-
ette track men was very creditable.

The final standing of the teams was
as follows: Georgetown, 75; V. M. I.,
41; V. P. I., 37; N. C. U., 15; W. & L.,
12½; N. C. S., 12; U. of R., 9½; Johns
Hopkins, 4; G. W. U., 3; U. of M., 1.

AUDIT SHOWS LEAK
AT JUNIOR PROM

(Continued from page one.)

were present by reason of a fraud. We
ought to declare ourselves so unalter-
ably upon this matter that future
Junior Classes can hold their proms
without having to place guards at
every conceivable entrance in order to
get the money properly due them.

"The ideals of a student body are
reflected in all of its activities, and
men of G. W. U. should be honorable
both in the classroom and in out-of-
class relations. Sincerely,
"L. BROOKS HAYS."

Report of Committee.

The following is the report submit-
ted Mr. Pulliam by the audit com-
mittee:

1. Statements are submitted here-
with showing the actual receipts and
disbursements for the Junior Class
during Junior Week, together with a
statement showing all the unpaid re-
ceipts and expenses in detail. These
statements do not include any loans
that were advanced to the class and
refunded, as this would tend to inflate
the actual receipts and disbursements
without any material difference.

2. The audit committee have verified
all expenditures of importance in
checking the disbursements.

3. The statements have been pre-
pared to show the cost and venue
of each event held by the Junior Class
during the Junior Week celebration.

4. It appears from an investigation
that unusually heavy expense has been
incurred in certain instances in con-
nection with the Junior Week celebra-
tion, which has resulted in very little
material benefit to the class. Of
course, such expenses as advertising
and other expenditures are very neces-
sary in an event of this kind, but a
careful estimate should be made in
order that surplus lot of this material
may not be left over, which is a loss to
the class.

5. The class appears to have in-
curred a loss in collecting receipts
from the Junior Prom. The figures
submitted by Rauscher's, Inc., indicate
that 271 couples attended, or a total
receipt of \$1,380. The number was
verified as stated in a letter from them
by the number of coats checked and
the plates served. The class was
charged for an attendance of 271 cou-
ples, or 542 persons. The actual re-
ceipts accounted for by the class
amount to \$1,069.63 paid in and unpaid
receipts of \$40, which would indicate
that approximately 221 couples were
accounted for, exclusive of patrons and
patronesses. No complimentary tickets
were issued except to patrons and pa-
tronesses, the number not being avail-
able. This would indicate that the
class lost approximately \$250 in col-
lecting receipts, which is a very high
percentage of the gross receipts. From
the information submitted it appears
that two entrances were available to
the ballroom and tickets were collect-
ed at only one entrance, the other be-
ing unknown at that time to the com-
mittee in charge.

The statements attached indicate the
class has a deficit of \$100.08, as fol-
lows:

G. W. TENNIS TEAM HAS
SUCCESSFUL SEASON

Defeats V. M. I. and W. & L.; Ties
Georgetown; Will Compete in
National Tournament.

With the scalps of the Virginia Mil-
itary Institute and the Washington and
Lee net men already attached to their
racquets, the George Washington ten-
nis team will conclude a successful
season when they meet the V. M. I.
men in a return match, and cross rac-
quets with the teams of Delaware Col-
lege and Johns Hopkins University.
These matches will be played at home
during the coming week.

George Washington has been unde-
feated on the courts this season. On
Friday, May 13, the Georgetown net
men held our team to a tie, an excep-
tionally close and exciting match.
Matches with Drexel Institute and
Catholic University were postponed be-
cause of rain.

The remaining games will be played
at home and the splendid showing
made by the Hatchettes in foreign
courts argues well for a successful cli-
max to the season. Late in June the
G. W. U. racquetters will be sent to
compete in the National Intercollegiate
Tournament, to be held in Phila-
delphia.

The standbys of the team are Bill
Ballinger, Frank Summerkamp, Ralph
Aten, and John Lord.

season was defeated. A resolution
barring first-year men from living at a
fraternity house was passed.

NO DECISION FOR AWARD
OF DELTA MEDAL YET

The Board of Managers of the Uni-
versity have not as yet decided upon
the recipient of the Delta Tau Delta
Activity Medal, which is being award-
ed this year for the first time to that
student of the University who has com-
pleted two years of meritorious service
in the furtherance and upbuilding of
student activities.

The Board of Managers is going over
the records of the students who have
been active in student affairs in the
past two years, with the idea of being
careful to choose the person who most
deserves the award.

Many of the faculty and administra-
tive officers have expressed themselves
well pleased with the proposition.
President William Miller Collier has
said the award should do much to pro-
mote a wholesome influence in student
life, and Elmer Louis Kayser, Secre-
tary of the University, has termed it a
"bully scheme."

Dean William Allen Wilbur, of Col-
umbian College, who has always been
heartily in accord with all movements
to promote student interests and activ-
ities, has said: "I am sure that the
award of the Activity Medal will do
much in helping in the development of
the interest in student activities."

The last May meeting of the Chemical
Society was held on Wednesday, May
11. Considerable business was trans-
acted. The officers for the coming year
were elected as follows: President, J.
F. T. Berlinger; vice president, N. H.
Sanborn; secretary, Marie O'Dea;
treasurer, Peter Valaer; executive
committee, Ralph Nagle, Arthur Hart-
man, R. M. Hann.

An amendment to the constitution
was decided upon. In the future the
president of the society shall be re-
quired to give an address at one meet-
ing during the year.

Final reports from the treasurer, Mr.
Mottern, and the chairman of the ban-
quet committee, Miss O'Dea, closed the
business of the year.

After the meeting a very excellent
supper was served by the Phi Sigma
girls.

LIMIT HAZING AT N. Y. U.

The Sophs at New York University
will be permitted to haze the incoming
Fresh for one month, according to a
ruling by the Director of the School
of Commerce. Disobedience of rules
by Freshmen brings the wrath of the

Director upon the unlucky Fresh. The
rules provide for the wearing of Fresh-
man caps, black ties and socks, and
prohibit the wearing of trick vests,
fancy handkerchiefs, spats, or cuffs on
trousers, jewelry. The rules also bars
conversation among Freshmen and
their co-ed friends.

SIGMA KAPPA.

The annual vaudeville show given by the freshmen to the active and alumni chapters was held at the home of Marian Bailey on May 14.

Eliza Moncure, Beth Foss and Pauline Johnston are in Ithaca, N. Y., attending the installation of Alpha Zeta of Sigma Kappa.

The underclassmen are making arrangements for a farewell dance in honor of the seniors at the Potomac Boat Club June 3.

SIGMA CHI.

The chapter held its last meeting of the year on Sunday, May 10, and officers for the coming year were elected. The annual founders' day banquet will be held at the Washington Country Club on June 10.

Felix Altrup, a pledge, was mainly responsible for the victory of the University last Saturday, as he won three out of four events and placed second in the fourth. Moyle also won the quarter mile race.

The chapter deeply regrets the loss of Burton and Underwood, who are graduating this year. They have been the mainstay of the chapter for the last two years.

KAPPA SIGMA.

Grady Corbett, Kappa Sigma from University of Alabama and now American consular agent at Lyons, France, will be in Washington in a few days and will stop at the fraternity house.

A date is being held open for a farewell dance which is to be followed by an early morning breakfast. It will probably be held on the 7th of June.

There will be a smoker for alumni and graduates at the house on June 9. We want to see every Kappa Sigma alumni and every member of the graduating class there.

On June 15 the annual banquet will be held at the Raleigh Hotel.

Kappa Sigma will be in its new home by the opening of school next October. Glen Corbett, Herbert Shinnick, Harry Hawley and John Daly are going to the Twenty-fourth biennial grand convocation to be held at Chicago July 20-22, 1921.

Herbert Shinnick was recently appointed to the Board of Managers as student representative from the University and was also appointed by the Director of Student Activities as a member at large to the Student Council for 1921-22.

Glenn Corbett was elected to the Student Council from the Law School. Harry Hawley was elected president

of the G. W. U. and Lester Johnson was elected treasurer.

Eskeu wins another G. W.; this time it is in track.

PHI SIGMA KAPPA.

On the 6th and 7th of May Psi chapter at the University of Virginia was re-created. Lambda chapter officiated and acted as host to the visiting Virginians. Walter Brandes, from the council, had charge of the ceremony. Gilbert Morgan, of the Supreme Court of Phi Sigma Kappa, took an active part in the initiation.

On the night of the 14th of May Lambda held its annual dance to the initiates. Toe dancing by Miss Grace Cotton, a young Washington girl, was one of the many features. Everyone declared it was the best dance of the year.

The Lambdata, the official magazine of Lambda chapter, was off the press this week. Ralph Nagle, Henry Wheeler and Ted Hornaday compose the editorial staff.

Plans are already under way for the Memorial Day picnic out to Seneca Falls by motor truck. "Nuff sed."

DELTA TAU DELTA.

A big smoker was held at the house on Monday, the 9th, in honor of the six men recently initiated into the chapter. Brooks John, Pete Maceas, Dick Leibert, and a couple of other harmonizers put on a great series of stunts for the guests. Hot dogs, cheese-on-rye, pop, and (nowhere-near) beer were dished out over a fake bar.

Howard Norris, ex-engineer, G. W. U., now Lieutenant in the Regular Flying Corps, and his brother, Rheese Norris, Law '18, have been visitors at the house the past week.

Paul Baker is yet to recover his investment of \$15 made just before the Junior Prom for janitor service.

Radford Brown, Medic School, is seriously ill at the University Hospital. He is suffering from double pneumonia.

Jimmie Nolan, '21, is also seriously ill at his home in Pennsylvania.

SIGMA ALPHA EPSILON.

The annual spring dance of the chapter was held on the Arlington roof on Tuesday, May 17.

Les Young, Newell Ellison, Harry Campaign and Jack Padon, all of whom will graduate from the Law School this year, are industriously preparing for the bar examinations.

KAPPA ALPHA.

Several of the members were the guests of Brother Skinner at Warren-ton over the week end.

William Cunningham married Miss Katherine O'Connell on May 10 at the Calvary Baptist Church.

THETA DELTA CHI.

William E. Noell, Law '24, was initiated May 8.

The annual spring smoker will be held at the fraternity house June 5.

Russell B. Lake is preparing to return to his home in Fall River, Mass., where he will spend the summer hunting and fishing.

PHI SIGMA.

Phi Sigma announces the initiation of Martha Powell, Celeste Weyl, Vera Bailey and Adelaide Thom on Monday, May 16.

Billy Michelson won second place in the recent Davis prize speaking contest.

PHI ALPHA.

In honor of its six graduate members, the chapter has planned a buffet supper and smoker, to be held at the fraternity house on June 12, 1921.

Although hitherto unpublished in the Hatchet, P. A. is proud of its average, which placed it second among the fraternities at the Law School.

PHI ALPHA DELTA.

The initiation of the following pledges will take place Monday, June 6: Leslie E. Jackson, Heath A. Melton, Robert W. Marshall, Perry Johnson, Glenn Corbett, D. H. Wheeler, Lester Moore, Robert N. Anderson, Walter W. McVay, Robert C. Burdick.

A banquet will be held immediately following the initiation, in honor of the retiring officers and in celebration of the first anniversary of the local chapter of the fraternity. Prominent speakers have been secured for this event.

SIGMA ALPHA EPSILON.

Knut Nilsson was recently elected interfraternity delegate for the school year 1921-22, to succeed Les Young, who graduates from the Law School in June.
